

# PUBLIC LEDGER

MAYSVILLE, KY., FRIDAY, JANUARY 26, 1906.

ONE COPY—ONE CENT.

WEEKLY REPUBLICAN—1887.  
DAILY PUBLIC LEDGER—1899.

If you have an item of news, please call up The Ledger, Telephone 23, and let us have it.

W. R. Smith & Co. will next week open a new stock of shoes at the old stand.

Mrs. James Drake recently fell at her home between Minerva and Fernleaf and broke her arm.

Rev. Dr. S. B. Alderson, who has been ill with pneumonia at Portsmouth, is now convalescing.

Harold, the bright and only son of ex-Sheriff and Mrs. J. R. Roberson, who has been very ill, is now convalescing.

W. S. Hume, formerly of Richmond, is believed to be one of the victims of the Valencia shipwreck off Cape Beale.

Owing to the absence of the Pastor, Rev. John Barbour, there will be no preaching at the First Presbyterian Church Sunday.

Colonel Dan Cohen, who never overlooks a good hot, yesterday bought from the Assignee the entire shoe stock of W. R. Smith & Co.

The many friends of Miss Ann Barry regret to learn of her rather serious accident by falling down the steps at her home in West Fourth street.

Dr. A. H. Wall, who has been quite ill for several weeks past, is improving, and his daughter, Mrs. Lewis Apperson, has returned to her home in Mt. Sterling.

Mr. Ernie Roden of West Third street, who has been sick nearly two months with typhoid fever, continues to improve, and with no back-set will be able to be out in a short while.

Mrs. L. W. Anderson and two daughters, Mrs. May Boyd and Miss Elizabeth Anderson, all formerly of Dover, are ill at their home at Wheeling, W. Va., with slight attacks of diphtheria.

If you have a Diamond want I will guarantee to save you money. See my stock before buying a Diamond or Watch. We are leaders in everything in our line.  
P. J. MURPHY, the Jeweler.

Mr. Morris Coughlin is in Flemingsburg making arrangements for the burial of Mr. Michael Maloney, who died at his home in that place yesterday. It was only last week that the faithful wife was buried and now the aged husband has followed her to the grave.

There is always a dearth at this particular season of the year in business in general, but just now it has the appearance of doing overtime in the quiet line. All classes and trade, apparently, is effected with lethargy, laying back, as it were, Micawber-like, waiting for something to turn up.

Bureka! Colonel Pardon, Electrician for the Maysville Gas and Electric Company, is the Man Who Knows How to Repair an Electric Gas-Lighting Attachment—and don't you forget it. After a West End sufferer had paid \$2.75 for not having the contraption fixed, Mr. Pardon yesterday took his little hatchet and clipped off an inch off the end of a wire connection—and the thing was done! Time—2 minutes; cost, 0000.

There was another small wreck on the C. and O. last night. The trucks of an Eastonard freight broke down and ditched one car at Wood street. The wrecking crew from Covington came up and righted things in a few hours. No one was hurt and damage comparatively small. A sign on the derailed freight car read—"Naphtha, benzine and powder; handle with care."

Mr. F. L. VanArsdale, Special Agent of the Citizens Telephone Co. of Kentucky, has been here for several days. His mission is to ascertain conditions relative to Long Distance Service, and if there is sufficient demand, an effort will be made by his company to arrange with the Maysville Company for a wider use of the Long Distance Phone. Failing to arrange with the local Company, the Bell folks may endeavor to enter this city with their lines.

The remains of Mr. John Goodman, who died Tuesday at his home at White Sulphur, were brought here last evening on the L. and N. train and taken to the residence of Mr. M. J. Lynch in East Fifth street. The funeral took place this morning at 9 o'clock, and the remains were interred at Washington. The following people accompanied the remains: Mother and two sisters; Mr. and Mrs. James Canan of Georgetown, Mr. Don Hickey of Lexington, Mr. George Hickey of Georgetown, Mr. James Flynn, Messrs. John and Thomas Miley, Mr. William Martin, Mr. Frank Kearney, Mr. Charles Laffy of White Sulphur and Mr. Thomas Goodman of Payne's Depot. The deceased was formerly of this county.

WHY NOT TONIGHT OR THIS AFTERNOON  
Dr. Foote will conduct the services this afternoon at 3 and this evening at 7 o'clock at the First M. E. Church, South. Do not fail to hear him. As a pulpit orator Dr. Foote has high rank. His appeal for the home yesterday afternoon was beautiful in its conception and charming in its delivery. Many were touched and made to feel the need of a better order of things in the home. A powerful sermon on "Conscience" was delivered at the evening service.

## KENTUCKY LEGISLATURE

### What the Frankfort Solons Ground Out at Yesterday's Meet

By unanimous action the Senate appropriated \$12,500 to repair and preserve the Monument of Henry Clay in the Lexington Cemetery.

The House will concur and the work will be done immediately.

By a vote of 68x20 the House exempted towns of the fifth and sixth classes from the Registration Law heretofore.

### DIED OUT WEST

### A Former Mason County Man and Wife Pass Away

St. Louis Globe-Democrat.

Relatives and friends of Mr. and Mrs. W. L. Mitchell, who formerly resided in St. Louis, were shocked yesterday to learn of the death of both at Reno, Nev. Pneumonia caused the two deaths, Mrs. Mitchell falling ill on the day of her husband's death. She survived him only a few days.

Mr. and Mrs. Mitchell spent a year in this city, the former in search of health. During their visit they made many friends. Mr. Mitchell contracted a severe cold, which later developed into pneumonia, while on a trip to San Francisco. Nogent C. Mitchell, the only child, resides at Reno. Leonard F. Mitchell and Stanislaus Mitchell, brothers of Mr. Mitchell, and Miss Lizzie Mitchell, a sister, reside in St. Louis.

Mr. Mitchell was a son of the late Stanislaus Mitchell of this county, and was born and raised here, where he has numerous relatives.

## SCHOOL ELECTION QUESTION

### Official Petition Sent to Members of the Legislature

THE LEDGER, with a "nose for news," has smelled out the following petition which has been sent to each member of the Legislature—  
MAYSVILLE, KY., January 19th, 1906.

Members of the General Assembly, Frankfort, Ky.—Gentlemen: As the immediate representatives of the Public School interests in Maysville we desire to enter our earnest protest against the passage of the bills (S. B. No. 45 and H. B. No. 119) providing for the election of School Trustees in cities of the fourth class "by Wards" instead of "at large," as the law now stands. We believe such legislation to be opposed to our school interests and to those of the state.

We believe that it will result in reducing the election of the School Trustees to Ward politics, and we hold that no greater calamity can happen to the educational interests of any community than the injection of politics, of whatever kind, into the election of School Trustees. The present law applies equally to cities of the second, third and fourth class, and we see no just reason why the law applying to one class should be changed and the others left unchanged.

This bill is of personal and not of general significance. It is the direct outcome of the last school election in this city, and is intended to so modify the law that any Ward boss, by the control of the votes in his own Ward, could be elected and continued in office. It would also give rise to other undesirable conditions that a study of the measure will render apparent.

A petition of remonstrance from our best citizenship, protesting the passage of the bill, has been sent to our Senator and Representative. Both members of the press in this city have signified their opposition to the measure, as have, also, a number of other correspondents, yet not a word of advocacy or defense of the bill has been given us or the people at large.

We ask nothing except that which we believe our duty demands—a careful investigation of the merits of the bill, and if deemed necessary, the conditions that give rise to it.

Believing that members will receive this in the spirit in which it is intended—a desire to render authentic information relative to the measure—we are, very respectfully,  
J. M. NESBITT, President.  
GEORGE SCHWARTZ, Vice-President;  
W. F. THOMAS, Secretary.  
R. A. COCHRAN, Treasurer.

Signed by Officials of Board of Education.  
[So far as THE LEDGER is concerned, the petitioners are in error; it has never even intimated its opposition to the proposed legislation; nor is it able to figure out why, if School Trustees are to be elected by the voters at large, the Councilmen of the city shouldn't be chosen in the same way.—EDITOR.]

There are eight divorce cases on the docket of the Nicholas Circuit Court which convenes February 5th.

## THE PRINTING GRAFT

### State Sues to Recover Overcharge From a Louisville Concern

At Frankfort Judge Stout is hearing arguments in the suit of the Commonwealth against the Globe Printing Company of Louisville, brought to recover about \$20,000, which, it is alleged, was the amount of overcharge on the part of the Company for the printing of certain teachers' registers and other books used by the schools of the state.

## "ISLE OF SPICE."

The sale of seats for the engagement for the big musical comedy extravaganza, "The Isle of Spice," opens at Ray's Drugstore Saturday morning. The prices will be as follows: the first eight rows \$1.50, next eight rows \$1, the first three rows of Balcony 75 cents, balance of Balcony 50 cents. This same company is playing one of Pittsburgh's leading theaters this week, numbers over fifty people and carries its own orchestra, thus insuring a perfect performance in every way. Maysville theatergoers are promised and guaranteed one of the best companies on the road and from the interest being already manifested there promises to be a rush for seats. So be early if you want the choice ones.

WITH POULTY BIGELOW defying the United States Senate, and Senator PITCHFORK TILLMAN "roasting" the President, there's a hot time in old Washington town.

SUNDAY was a busy day at Dayton, O. While the Police Force was keeping the lid from slipping off, two persons committed suicide and burglars went through a score of residences.

THE Courier-Journal is in favor of placing POOLTNEY BIGELOW in charge of the Panama Canal. It thinks a man who can personally observe all he did in twenty-eight hours ought to be able to dig the Canal in a week.

THE LEDGER most heartily indorsed what President NESBITT, upon assuming the office, had to say about keeping the Board of Education "out of politics." Now it might be well, also, to keep some of the Teachers out of politics—and, incidentally, out of the newspapers.

IF GOVERNOR BECKHAM should adopt the suggestion offered by the Rev. E. L. POWELL in his last Sunday's sermon at Louisville, and celebrate Home-Coming Week by pardoning all the "suspects" in the Goebel case, Kentucky would add two more immortals to her list—J. C. W. BECKHAM and E. L. POWELL. Dr. POWELL'S idea is to wipe out forever all old scores and begin afresh—have a New Kentucky in name and in fact. And who will say that it is not a noble conception?

It was perfectly natural and business-like for the brewery owners of Cincinnati to grant their workmen an eight-hour day, so that the great majority of the workmen can have an additional hour in which to spend their wages in the beer saloon.

THERE certainly must be a high code of morals in vogue at the Annapolis Naval Academy. EDGAR N. CALDWELL of Glasgow, Ky., testified that Midshipman BLOEBAUM of Missouri had hazed and abused him because he would not make arrangements for BLOEBAUM to be introduced to a certain young lady of the fourth-class man's acquaintance. BLOEBAUM is an appointee of Congressman CHAMP CLARK, who said recently on the floor of the House of Representatives that he would arm a youth he sent to Annapolis with a bowie-knife and hatchet.

CALDWELL stated that BLOEBAUM had ordered him to write a letter to a young woman in Annapolis fixing a date when BLOEBAUM could call. He had refused to do this, he said, and BLOEBAUM had made him lie on a box and raise and lower his legs until it was impossible for him to continue.

TOMMY'S EXCUSE.

Tommy Mulligan of the Seventh Grade was absent from the classroom for one entire day, according to The New York Tribune. It would appear that he had played truant, for unknown to Tommy his teacher had spied him trudging homeward with pockets bulging suspiciously, when she, too, was homeward bound that afternoon.

But Tommy brought a note of excuse the next morning, which, of course, would prove that he had been detained at home legitimately. The writing was hardly that of a feminine hand, and the note appeared to have been written laboriously and with much blotting; furthermore, the penmanship seemed to be strangely familiar to his teacher. The note read as follows—

"Dear Teacher—Please excuse Tomy for not coming to school yesterday, he cudnot come. I tore my pants.—Mrs. Mulligan."

GOOD for OLD and YOUNG

 And about the druggist: "Please give it to me!"

Inability to get up brisk and fresh in the morning, lack of appetite, pallor, muddy complexion and poor spirits—these all indicate a disordered stomach and bad digestion—in adults and children, too. They also indicate the urgent need of taking Green's August Flower regularly for a few days.

Gain Strength for Work

In office and factory, shop, store or kitchen girls are at work all over this land, and, alas! far beyond their strength. Young women who work are especially liable to female ills. Too often the girl is the bread winner of the family and she must toil unremittingly, no matter if her back does ache, her limbs and abdomen throb with dull pain and dragging sensations, and dizzy spells make her utterly unfit for work. These are the sure signs of female irregularities which kill beauty and youth.

Lydia E. Pinkham's Vegetable Compound

builds health and strength for all women who work and are weary. It creates the vitality that makes work easy. From the thousands of grateful letters written by working girls to Mrs. Pinkham we quote the following:

DEAR MRS. PINKHAM:—I feel it my duty to tell you the good Lydia E. Pinkham's Vegetable Compound and Blood Purifier have done for me. Before I took them I was very nervous, had dull headaches, pains in back, and was very irregular. I had been to several doctors and they did me no good.  
 Your medicine has made me well and strong, I can do most any kind of work without complaint, and my periods are all right.  
 I am in better health than I ever was, and I know it is all due to your remedies. I recommend your advice and medicine to all who suffer.  
 Miss ABBY F. BARROWS, Nelsonville, Athens Co., Ohio.

Oh, if American girls who work would only realize that they have but one life to live, and make the most of their precious health and strength!

Mrs. Pinkham extends to every working girl who is in ill health a cordial invitation to write her for advice. Such letters are always kept strictly confidential, and from her vast experience Mrs. Pinkham probably has the very knowledge that will help you—and may save your life.

Bernard's Soliloquy

After Pondering Over Colossal Election Scheme of "Boss" Johnson, Lewie Bernard Thinks Out Loud About the Goebel Law and Its Author

Cincinnati Times-Star.

COLUMBUS, O., January 24th.—[Special.]—Tom Johnson is due here today with a sub-committee of the Ohio Mayors' Association, the organization he fostered and now dominates. The sub-committee will complete the drafting of the municipal code bill, and Mayor Tom will have embraced in that measure a colossal election scheme, which savors a great deal of the famous Goebel Election Law of Kentucky and the Nesbitt Law of Missouri. It is not known who will introduce the code bill, but owing to the nature of the election measure, which is to appear in the bill as a rider, it has been suggested that the bill be called the "Boss Johnson bill." The election law feature will provide that a State Board of Elections be appointed by the Governor, to be bi-partisan and each member to be paid a large salary. This State Board shall have complete control of all the election machinery of Ohio and the appointment of all the County Election Boards. The stupendous

possibilities in the hands of such a Board are not apparent at first sight, but become plain when the measure is closely studied.

Lewie G. Bernard of Cincinnati is now in Columbus and will remain several days. While here he will pay some attention to this latest from Boss Johnson. Even Mr. Bernard was amazed when the possibilities of this bill occurred to him. After studying it over carefully Mr. Bernard said—

"You remember a man named William Goebel, don't you?"  
 "Yes."  
 "He had that kind of a law passed in Kentucky, didn't he? And then he ran for Governor, didn't he?"  
 "Yes."  
 "He was not elected, was he?"  
 "No."  
 "But he counted himself in, didn't he?"  
 "Yes."  
 "And," continued Mr. Bernard, "he is in his grave today."

C. AND O. STRIKE

Service on the Russell Division Crippled in Consequence

Considerable excitement in railway circles was caused this week when fifty men employed on the C. and O., with headquarters at Russell, quit work and left their trains on the sidings and in the yards, according to The Iron-ton Register.

Their cause of grievance seems to be directed against Paymaster Hancock. The pay car arrived at Russell Monday, when about one-half of the men were paid off, and the other half left to wait until the pay car returned from its trip up Big Sandy.

The men claim this is about the second or third time this has happened, and they will not stand for it.

The service on the Russell Division of the road is badly crippled, many of the trains not having sufficient crews to run them.

It is thought the matter will be amicably adjusted.

SOCIAL EVENTS

In all its arrangements perfection crowned the entertainment of The Players yesterday by Miss Barbour and Mrs. George Barbour, at the charming home of the latter. SCALY ECZEMA ALL OVER BODY

Eruptions Appeared on Chest, and Face and Neck Were All Broken Out—Scales and Crusts Formed—How Lady Has Great Faith in Cuticura Remedies for Skin Diseases.

ANOTHER WONDERFUL CURE BY CUTICURA

"I had an eruption appear on my chest and body and extend upwards and downwards, so that my neck and face were all broken out; also my arms and the lower limbs as far as the knees. I at first thought it was prickly heat. But soon scales or crusts formed where the breaking out was. Instead of going to a physician, I purchased a complete treatment of the Cuticura Remedies, in which I had great faith, and all was satisfactory. A year or two later the eruption appeared again, only a little lower; but before it had time to spread I procured another supply of the Cuticura Remedies, and continued their use until the cure was complete. It is now five years since the last attack, and have not seen any signs of a return. I have taken about three bottles of the Cuticura Resolvent, and do not know how much of the Soap or Ointment, as I always keep them with me; probably one half dozen of each.

"I decided to give the Cuticura Remedies a trial after I had seen the results of their treatment of eczema on an infant belonging to one of our neighbors. The parent took the child to the nearest physician, but his treatment did no good. So they procured the Cuticura Remedies and cured her with them. When they began using Cuticura Remedies her face was terribly disfigured with sores, but she was entirely cured, for I saw the same child at the age of five years, and her mother told me the eczema had never broken out since. I have more faith in Cuticura Remedies for skin diseases than anything I know of. I am, respectfully yours, Emma E. Wilson, Lincoln, Iowa, Oct. 1, 1905."

CONTEST SETTLED

C. W. G. Hanna of Greenup Retains  
His Seat in the Kentucky  
Legislature

The Contest Committee in the House at Frankfort Wednesday, in the case of W. T. Cole v. C. W. G. Hanna, the Republican contestee of Greenup county, made its final report in favor of Mr. Hanna.

The decision was made without going into the evidence, but on two demurrers filed by the contestee.

They ruled first that notice of contest was not executed in the time required by statute, and, second, that the contestant, W. T. Cole, was holding the office of County Judge of Greenup county, an office of trust and profit under the laws of the state and incompatible with the office of Representative.

Voice of the People

LAWYERS MAKE CORRECTION

MAYSVILLE, KY., January 25th, 1906.

Editor Public Ledger: Permit us to call your attention to certain language contained in a local article entitled, "More Suits," appearing in yesterday's issue of your paper, which relates to Section 968, Kentucky Statutes, and is as follows:

"So it is here clearly defined that the gentlemen who are rushing so madly into Court with their feigned grievances are as much violators of the law as the person who sets up the game."

"By the time they settle at the rate of \$50 or \$100 for each offense they will be something out of pocket themselves as well as their would-be victim."

"It is worth while to give this matter a little thought, and make haste a little slowly."

The gentlemen who, in your opinion, so madly rushed into Court, certainly did not do so without first having obtained legal advice, and as it is that advice which is in reality the subject of your criticism, we trust, therefore, that in the interest of truth and justice, not to mention a "square deal," you will permit us to call your attention to Section 1973, Kentucky Statutes, which is as follows:

"In any prosecution for a penalty against gaming, it shall be no exemption for a witness that his testimony may criminate himself, but no such testimony given by the witness shall be used against him in any prosecution except for false swearing and perjury, but he shall be discharged from all liability for any gaming so unnecessarily disclosed in his testimony; and, furthermore, the person against whom he testifies shall not be received to prove any gaming theretofore by such witness."

It is a matter of no concern to us personally whether your sympathy in the contest be with what you term a "welcher," or with the robber; but it is a matter of some importance to us professionally that we be not misrepresented, even through ignorance, and hence, we request the publication of this communication that the public may be enlightened on a subject that concerns the general welfare. Very respectfully,  
A. R. & A. D. COLE.

**Beware of Quinines For Catarrh That Contain Mercury.**

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

**GRIPPE INCREASING**

Our Local Druggist, John C. Pecor, Tells Maysville People the Best Preventive and Cure.

So many cases of gripe have been reported during the past month throughout the state that some of our leading physicians have been trying to locate the cause, and have spent much time in the health departments of our various cities carrying on the research.

Mr. John C. Pecor, our well known druggist, when interviewed in regard to this matter, said:

"It is the people who are run-down and physically below par, who get the gripe and contract contagious diseases, and it is a warning to every man, woman and child in Maysville to build themselves up at this season of the year. There is no doubt that the cod liver oil preparation, Vinol, has prevented and cured more cases of the gripe than any other remedy we know of. This is because Vinol contains in a concentrated form all of the vital principles of cod liver oil without any of the system-clogging oil to upset the stomach and retard its work."

"After gripe Vinol purifies and enriches the blood, tones up the digestive organs, and strengthens every organ in the body to do its work as nature intended."

"In the strongest manner we endorse and guarantee Vinol to ward off disease and to build up the run-down, tired and debilitated, give strength and renewed vitality to the aged, cure chronic coughs and colds and build up the convalescent, or return to the purchaser every dollar paid for it." JOHN C. PECOR, Druggist.
